**To whom it may concern,**

The NGO "Kyivities for Justice" (identification number 36506032) has run public and philanthropic activities since 2012 in Ukraine.

We organize and deliver humanitarian aid to the cities of Bucha, Irpin, Borodyanka, Makariv, and other towns and villages of the Kyiv region, which were under Russian siege due to the Russian invasion of Ukraine. Today, these towns and villages do not have electricity, water, and gas. People do not have a place to live and do not have access to medicine or food.

**We appeal for your help and support in providing the necessary equipment and other critical things.** Namely:

- diesel generators;
- medicines;
- food;
- clothes and other necessities.

Contact persons:

+380 67 384 1433, Shevchuk Anatolii;

+380 98 644 9316, Olga Artemchuk.

We are eagerly awaiting your response and support.

**Sincerely,**

**Artemchuk Anatolii**
